Your Nadii-Inviting to join a picnic

My dear friend,

Hope you are doing well with your family and I am also well. I think, you will be glad to know that we are going to have a picnic on 28th instant. We have decided to go to Vasai fort. It is a very beautiful place. It is quite near to court. You will be happy to know that my other friends will also join us to picnic. We expect to have a very pleasant time. I hope that you will join us and increase our pleasure.

Inform me with your confirmation as soon as possible.

With best wishes and love.

Your loving friend
Nadiya.
